-  Highway
-  Arterial roads (most sealed)
-  50m contours
-  Rivers

NB: THE BUMP TRACK IS ONE WAY ONLY - HAVE A FRIEND MEET YOU AT PORT DOUGLAS.

Rolling hills through dirt road in rainforest with famous descent to the coast (and onto Port Douglas). Choose to start your ride at Julatten, Mount Molloy or Kuranda. The Bump Track is ONE WAY ONLY, so have a friend meet you with the car at Port Douglas.

Suggested stops: The many tourist outlets in Kuranda, Mount Molloy Pub, Port Douglas.

Hot tip: This is a semi-remote ride with restricted mobile phone coverage. Riders must be fully self-sufficient with food, water, first aid and tools. There are refreshment stops at either end, but not enroute. The Bump Track has historic significance and is a famous MTB descent – used in annual races and the Crocodile Trophy. An excellent ride for those who want a challenge and a good workout.
